

REACTIVATE COURSE

Search for the course you wish to edit in the CIM at <https://nextcourses.illinois.edu/courseadmin/>

If the course is Deactivated and you would like to Reactivate the course with the same content, please contact the Office of the Registrar at fms-catalog@illinois.edu.

The CIM Administrator will Reactivate the course in the CIM so that the CIM User can obtain approval through the workflow to reactivate the course.

If you wish to propose a completely different course using a number that has previously been deactivated, please contact the Office of the Registrar at fms-catalog@illinois.edu. The CIM Administrator will make sure that the number can be reused and archive the deactivated record.
