Daily, beginning 07/30/07	Missing Grade Reports (SREG_Missing_Grades) will be run daily during and following grade entry to identify instructors who have not yet submitted grades; these reports will be available in ViewDirect; colleges/departments contact instructors as necessary
08/10/07, 12:00 PM	Final deadline for submitting all grades via Web Self-Service (NOON)
08/10/07, 12:01 PM	Web Grade Entry for instructors through the Self-Service is <b>Disabled</b>
08/10/07	Not reported grades are populated in batch with <b>NR</b> grades
08/10/07, 5:00 PM	Final grade roll -- roll grades to academic history
08/10/07	Run GPA calculation and academic standing
08/11/07	Term controls are set to display final grades to students via Self-Service*
08/13/07	Begin academic standing reviews by colleges

\*This control will also display Academic Standing to students prior to Academic Standing reviews by colleges - there is a disclaimer on screens in Self-Service indicating that Academic Standing may be under review by colleges and is subject to change.

There is a regular Banner outage from 6:00 AM to 12:00 PM. every Sunday. Absolutely no one can access the Banner system at this time.

**Grades turned in late may affect a student's academic standing (probation or drop status) or ability to graduate.**
