

Grade Processing Schedule, Summer 2010

06/07/10	Web Grade Entry for instructors through the Self-Service is Enabled for Part of Term, S1 (Summer Session 1) ‡
07/06/10	Web Grade Entry for instructors through the Self-Service is Enabled for Part of Term, S2A (Summer Session 2 - 1 st Half) ‡
07/30/10	Study Abroad and Thesis 599 sections are populated in batch with DFR grades and rolled to history
08/02/10	Web Grade Entry for instructors through the Self-Service is Enabled for Parts of Term: 1 – Full term S2 – Summer Session 2 S2B – Summer Session 2 (2 nd Half) SF – Summer, 12 week
Daily Beginning 08/02/10	Missing Grade Reports (SREG_Missing_Grades) will be run daily during and following grade entry to identify instructors who have not yet submitted grades; these reports will be available in ViewDirect; colleges/departments contact instructors as necessary
08/13/10, 12:00 PM	Final deadline for submitting all grades via Web Self-Service at NOON
08/13/10, 12:01 PM	Web Grade Entry for instructors through the Self-Service is Disabled
08/13/10	Not reported grades are populated in batch with NR grades
08/13/10, 5:00 PM	Final grade roll -- rolls grades to academic history
08/13/10	Run GPA calculation and academic standing
08/14/10	Term controls are set to display final grades to students via Self-Service*
08/16/10	Begin academic standing reviews by colleges

‡Grades for these Parts of Term will not be viewable in Academic History until the final grade roll for the term.

*This control will also display Academic Standing to students prior to Academic Standing reviews by colleges -- there is a disclaimer on screens in Self-Service indicating that Academic Standing may be under review by colleges and is subject to change.

There is a regular Banner outage from 6 a.m. to 12 p.m. every Sunday. Absolutely no one can access the Banner system at this time.

Grades turned in late may affect a student's academic standing (probation or drop status), eligibility for financial aid, or ability to graduate.
