

Message	Meaning	Web Instructions to Student in the Help text	Banner Form	Banner Form Details
"Academic Standing prohibits registration"	This message appears if the student's current or override academic standing for the term (SGASTDN) prevents registration. If the student is permitted to register, an academic standing override can be entered by an authorized user on SZASOMH.	You must contact your college office.	SGASTDN, SHAACST	SGASTDN - The Academic Status option of the General Student form allows you to view a student's EOT Academic Standing and any Academic Standing Override for a specific term. SHAACST - The rules defined to determine Academic Standing are located on this form. It is a query form that enables you to search rules defined for a specific college.
"Advisor Approval Required"	This message indicates a section restriction is present that advisor approval is required to register for this course. To authorize registration, an "APPROVAL" override can be entered on SZACSRP so the student can register on the web.	You must contact your academic advisor.	SSASECT - Section Information Window	SSASECT - The Special Approval field displays the two-character code 'AD' representing that Advisor approval is required to register for the section.
"Class Restriction - Contact Course Department"	This message indicates there is a class restriction on the course preventing student registration. If an exception is authorized, a "CLASS" override can be entered on SZACSRP.	There is a restriction on this course that you do not meet. Please select another section or contact the course department.	SSARRES - Class & Level Tab SGASTDN	SSARRES - The Class Restrictions block specifies that students must have a particular class (e.g., Jr., Sr.) in order to take the section in question. SGASTDN - View student's Class field.
"Closed Section XX - Contact Course Department"	This message indicates there are no available seats in the section. If an exception is authorized, a "CLOSED" override can be entered on SZACSRP.	There are no seats available in this section. Please select another section or contact the course department.	SSASECT - Enrollment Data Window or SSASECQ	SSASECT - Registration for the section is displayed in the Enrollment Data window. SSASECQ - View Section Seat Availability
"Closed - Waitlist full"	This message appears when both the section and the waitlist are full. If an exception is authorized, a "WAITLIST" override can be entered on SZACSRP.	All seats and the waitlist in this section are full. Please select another section.	SSASECT - Enrollment Data Window or SSASECQ	SSASECT - Registration for the section is displayed in the Enrollment Data window. SSASECQ - View Section Seat Availability
"Closed - X Waitlisted"	This message indicates that the number of available seats is zero and there are people on the waitlist (indicated by the "X" in the message).	All seats are full and there are the number of students indicated on the waitlist. Either select to be put on the waitlist or select another section.	SSASECT - Enrollment Data Window or SSASECQ	SSASECT - Registration for the section is displayed in the Enrollment Data window. SSASECQ - View Section Seat Availability

Message	Meaning	Web Instructions to Student in the Help text	Banner Form	Banner Form Details
"Cohort Restriction"	This message indicates there is a cohort restriction on the course preventing student registration. If an exception is authorized, a "COHORT" override can be entered on SZACSRP.	There is a cohort restriction on this section which your college of enrollment does not meet.	SGASADD SSARRES	SSARRES - The Cohort Restriction block specifies that students must be enrolled in a particular college in order to take the section in question. SGASADD - View student's cohort.
"College Restriction - Contact Course Department"	This message indicates there is a college restriction on the course preventing student registration. If an exception is authorized, a "COLL" override can be entered on SZACSRP.	There is a college restriction on this section which your college of enrollment does not meet.	SGASTDN - Campus and College tab SSARRES	SSARRES - The College Restrictions block specifies that students must be included or excluded in a particular college in order to take the section in question. SGASTDN - College field.
"CORQ_XXXX XXX REQ"	This message indicates a co-requisite course (the error message will list the subject and course number instead of "XXXX XXX") is also required in order to register for this course.	To register for this course you must also register for the course and schedule type indicated in the error message.	SSADETL - Co- Requisites Block	SSADETL - Co-Requisites Block - If the Co-requisite and/or Equivalent Course blocks contain no information there are no co-requisite or equivalent courses associated with the course specified in the Key block.
"Course status dates not within range for part of term"	The current date is not included in the available date range for the part of term or class section, or the GTVSDAX value for "WEBSTREG" is not included in the available course registration status codes from SFARSTS or SSARULE	You may not register for this section at the present time. Please select another section.	SFARSTS SSARULE	SFARSTS - The current date is not included in the available date range for the part of term or class section, or the GTVSDAX value for "WEBSTREG" is not included in the available course registration status codes.
"Dean Approval Required"	This message indicates that dean's consent is required to register for this course. To authorize registration, an "APPROVAL" override can be entered on SZACSRP.	You must have approval from the Dean of your college to register for this section.	SSASECT - Section Information Window	SSASECT - The Special Approval field displays the two-character code 'DN' representing that dean approval is required to register for the section.
"Degree Restriction - Contact Course Department"	This message indicates there is a degree restriction on the course preventing student registration. If an exception is authorized, a "DEGR" override can be entered on SZACSRP.	You may not register for this section. Please select another section or contact the course department.	SGASTDN SSARRES	SSARRES - The Degree Restriction block specifies that students must be pursuing a particular degree in order to take the section in question. SGASTDN - View student's Degree field.

Message	Meaning	Web Instructions to Student in the Help text	Banner Form	Banner Form Details
"Department Restriction - Contact Course Department"	This message indicates that departmental consent is required to register for this course. To authorize registration, a "DEPARTMENT" override can be entered on SZACSRP.	You may not register for this section. Please select another section or contact the course department.	SSARRES - Schedule Restrictions	SSARES - The Department Restrictions block specifies that students must be included/excluded from specific department(s) in order to register for the section.
"Departmental Approval Required"	This message indicates that departmental consent is required to register for this course. To authorize registration, a "APPROVAL" override can be entered on SZACSRP.	You must have approval from the course department to register for this section.	SSASECT - Section Information Window	SSASECT - The Special Approval field displays the two-character code 'DP' representing that departmental approval is required to register for the section.
"DUPLICATE CRN"	This message indicates the student attempted to register for a CRN that's already on their schedule. To authorize registration, a "DUPL" override can be entered on SZACSRP.	You are already registered for a section of the same subject, course number and schedule type. Please select another section or contact the course department.		SFAREQQ - Registration Query Form to see the student's schedule.
"Instructor Approval Required"	This message indicates that instructor approval is required to register for this course. To authorize registration, an "APPROVAL" override can be entered on SZACSRP.	You must have approval from the instructor to register for this section.	SSASECT - Section Information Window	SSASECT - The Special Approval field displays the two-character code 'IN' representing that instructor approval is required to register for the section.
"Invalid or undefined Enrollment Status or date range invalid"	This message appears if the current date is not included in the available date range for the selected term (from SFAESTS)	Please contact the Registration Services, 217-333-6565.	SFAESTS, SFAREGS	The student is trying to perform an activity that is not available at this time. The date in the key block on SFAREGS must fall within an allowable range specified on SFAESTS.
"Invalid Student Status Code"	Person has no general student record (SGASTDN) for the selected term.	You must contact your college office.	SGASTDN	SGASTDN - Check for an active general student record for the term
"Level Restriction - Contact Course Department"	This message indicates there is a level restriction on the course preventing student registration. If an exception is authorized, a "LEVEL" override can be entered on SZACSRP.	This section is reserved for students with particular levels. Please select another section.	SGASTDN SSARRES	SSARRES - Level Restriction Block - The Level Restriction block designates whether students must have an active General Student record at a specified level in order to take the section in question. SGASTDN - View student's Level field.

Message	Meaning	Web Instructions to Student in the Help text	Banner Form	Banner Form Details
"Linked course Required (XX)(YY)"	Registration for the desired course requires registration in a corresponding linked section. "XX" provides the section type and "YY" provides the section name. To authorize registration, a "LINK" override can be entered on SZACSRP.	To register for this section you must also register for the linked section indicated.	SSADETL - Section Links Block	SSASECT - The code in the Section Links block is what Banner uses to identify linked courses. Banner takes this code and looks for sections with the same code in the Link Ident(ifier) field of the Schedule (SSASECT) form.
"Field of Study Restriction - Contact Course Department"	This message indicates there is a major, minor or concentration restriction on the course preventing student registration. If an exception is authorized, a "MJR_MN_CNC" override can be entered on SZACSRP.	This section is reserved for students with particular majors, minors and/or concentrations. Please select another section.	SGASTDN SSARRES	SSARRES - The Field of Study Restrictions block designates whether students must be pursuing a particular major, minor and/or concentration in order to take the section in question SGASTDN - View student's major, minor and concentration.
"Maximum Hours Exceeded"	Student is attempting to register for more than the maximum hours allowed. If the college approves additional credits, the maximum hours can be entered on SZASOMH.	Your registration has reached the maximum number of hours allowed.	SFAREGQ	SFAREGQ - Registration Query Form to see the student's schedule.
"Not enrolled since re-admit term"	Student has not attended since the Readmit term defined on SOATERM.	You must contact your college office.	SOATERM	SFAREGS - An error message will display if the student has not registered since the "readmit term". SOATERM - The "Re-Admit" field indicates the last term a student must have registered.
"Open - Waitlist Filled"	This message indicates a seat or seats are available in the section, but a waitlist exists and is full.	The waitlist for this section is full. A seat has become available, but only students on the waitlist can register. Please select another section.	SSASECT - Enrollment Data Window or SSASECQ	SSASECT - Registration for the section is displayed in the Enrollment Data window. SSASECQ - View Section Seat Availability
"Open - X Waitlisted"	This message indicates a seat or seats are available for the section, but a waitlist of "X" students exists.	A seat has become available, but there is a waitlist. You can either select the waitlist to add your name to the waitlist or select another section.	SSASECT - Enrollment Data Window or SSASECQ	SSASECT - Registration for the section is displayed in the Enrollment Data window. SSASECQ - View Section Seat Availability

Message	Meaning	Web Instructions to Student in the Help text	Banner Form	Banner Form Details
"Course Prerequisite and/or Test Score Error - Contact Course Department"	Student has not met a pre-requisite or test score requirement and is not able to register for the section. If an exception is authorized, a "PREREQ" override can be entered in SZACSRP.	You have not met a pre-requisite or test score requirement and are not able to register for the section. Please select another section.	SSAPREQ The Section Test Score & Pre-requisite Restriction block	SSAPREQ - The Section Test Score & Pre-requisite Restriction block, for checking simple pre-requisites, will not be used during the initial registration period in Banner.
"PREQ-XXXXXXXXXX"	CAPP Area Pre-Req	You have not met a pre-requisite and are not able to register for the section. Please select another section.	SSAPREQ - main block	SSAPREQ - The Main block verifies the subject, course number, and course title for the CRN displayed in the key block. If CAPP Area Prerequisites is checked, registration will enforce prerequisite defined in the Section Area Prerequisite Restriction Block on the next page .
"Program Restriction - Contact Course Department"	This message indicates there is a program restriction on the course preventing student registration. If an exception is authorized, a "PROG" override can be entered on SZACSRP.	There is a program restriction on the section preventing your registration. Please select another section or contact the course department.	SGASTDN SSARRES	SSARRES - The Program Restriction block specifies that students must be classified in a particular program in order to take the section in question. SGASTDN - View student's program.
"Reserve Closed"	This message indicates the reserved seating for this section has been filled.	The reserved seating for this section has been filled. Please select another section.	SSASECT - Reserved Seats Window	SSASECT - Enrollment Data Window. Registration for the section is displayed in the Enrollment Data window and reserved data for seating is displayed in the Reserved Seats window.
