| Subject | Section Enrollment Status Update from Course Explorer |

From: Course Explorer Notifications
Subject: Section Enrollment Status Update from Course Explorer

This is an automated message from the Course Explorer system notifying you that a seat has become available for the following section:

- Term:
- Course:
- CRN:
- Meeting day/time:

This notification does not guarantee you the seat nor indicate that you are eligible to enroll in that section.

Visit Student Self-Service to register for classes once your Time Ticket is active.

Modify your notifications in the Course Explorer.

6. 10 minute update delay.
7. Seats are not guaranteed.
8. Enrollment eligibility is not indicated.

For Computers

1. Login https://courses.illinois.edu and use menu to navigate to the schedule.
2. Choose Course

3. Use the star to mark sections as favorites. (click/unclick)

**GEOL 117**

The Oceans

Credit: 3 hours.

Integrated introduction to oceanography and marine geology and geophysics. Topics include ocean-basin formation and evolution (in the context of plate tectonics), ocean ecology; the hydrologic cycle, water chemistry, currents and waves, the interaction of oceans with climate, coastal hazards, resources, pollution, and the Law of the Sea. Course is oriented toward students not majoring in science.

Same as ESE 117.

This course satisfies the General Education Criteria in Spring 2018 for:

Nat Sci & Tech - Phys Sciences

Status Icon Legend

Section Status updates every 10 minutes.
4. Use My Favorites button to manage favorites and use “notify me” check box to receive emails.

5. Email is sent every time there is a status change from closed to open.
