

Reviewing Cross-list Enrollment

- You can review cross-list enrollment in Banner in a snap:
 - Make sure you are on the first page of SSASECT for one of the CRNs in your group (cross-list field will have an identifier code)
 - Go to the related menu and choose “Cross-list definitions” (SSAXLST)
 - Only FMS can change the number in yellow. The controlling unit (or each unit in an “A” crosslist) can change the individual max on each section.
- This can also be checked on the condensed catalog schedule app
